Subject: Roulette Oil & Gas Public Comment Period Extended

Good morning Cliff,

I hope you're doing well. I wanted to reach out and let you know that EPA has decided to extend the Public Comment Period for the proposed Roulette Oil & Gas UIC permit for an additional 32-days and ending on **April 5, 2021**. Comments will be accepted from the public until that date and the relevant permitting information will be available to the public on our website until that day. However, this in no way limits the consultation timeframe with Seneca Nation. This is just an FYI to keep you informed.

Please let me know if you have any questions.

Best regards,

Kevin Rowsey
